

*Boundary statement of Banantimari Forest. (Kankankalli Taluk.)*

The forest of Banantimari is in one piece surrounded by a demarcation line (being cut), of the standard width of 1 Gunter's chain = 22 yards. The length of this line is 13 miles and 2 furlongs; it is marked throughout by large mile stones 5 feet above the ground and by small furlong stones a foot high; the mile stones are numbered consecutively, commencing from the path of Shibandoddi. The furlong stones are numbered consecutively within each mile. Going from left to right as the hands of a watch, the demarcation line has on the left the following villages, or prominent land marks:—
